Dear Sir:

Under the provisions of 35 C.F.R. §1.102 and MPEP § 708.02, Applicants hereby
Petition to Make Special the above-referenced patent application to advance its
examination in the Patent and Trademark Office due to actual infringement of its claims.
The required petition fee of \$130.00 is submitted herewith.

In accordance with the requirements of MPEP § 708.02, applicants hereby state
that:

1. There is a device or product actually on the market or a method in use.
2. A rigid comparison of the infringing device, product or method with the
claims of the application has been made and, in the opinion of the undersigned attorney

for applicants, some of the claims are unquestionably infringed by the device, product or method.

3. Applicants have made, or have caused to be made, a careful and thorough search of the prior art or has a good knowledge of the pertinent prior art, and copies of the references deemed most closely related to the subject matter encompassed by the claims has been submitted to the U.S. Patent and Trademark Office or are submitted herewith.

In view of the foregoing, the Applicants respectfully submit that this Petition to Make Special fully complies with the provisions of MPEP § 708.02(II), and therefore, respectfully request advance of examination of the above-captioned application.

Should there be any remaining questions, the attending to of which would expedite such actions, the petitions examiner is invited to contact the undersigned at the telephone number appearing below. The Director is authorized to charge any additional fees associated with this or any other communication, or credit any overpayment, to Deposit Account No. 50-1170.

Respectfully submitted,
